

Dashboard Page:

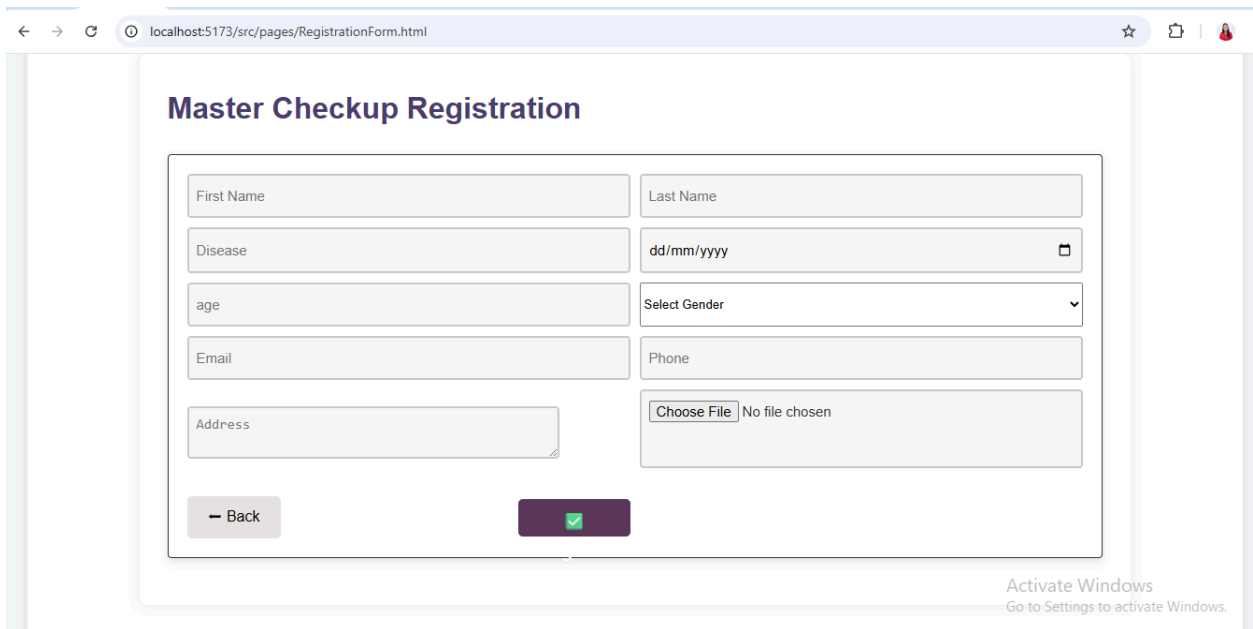

Patient Registration

-> By clicking Register tab, you navigate to patient categories page as shown down

-> After selecting the category patient can register themselves in the below form

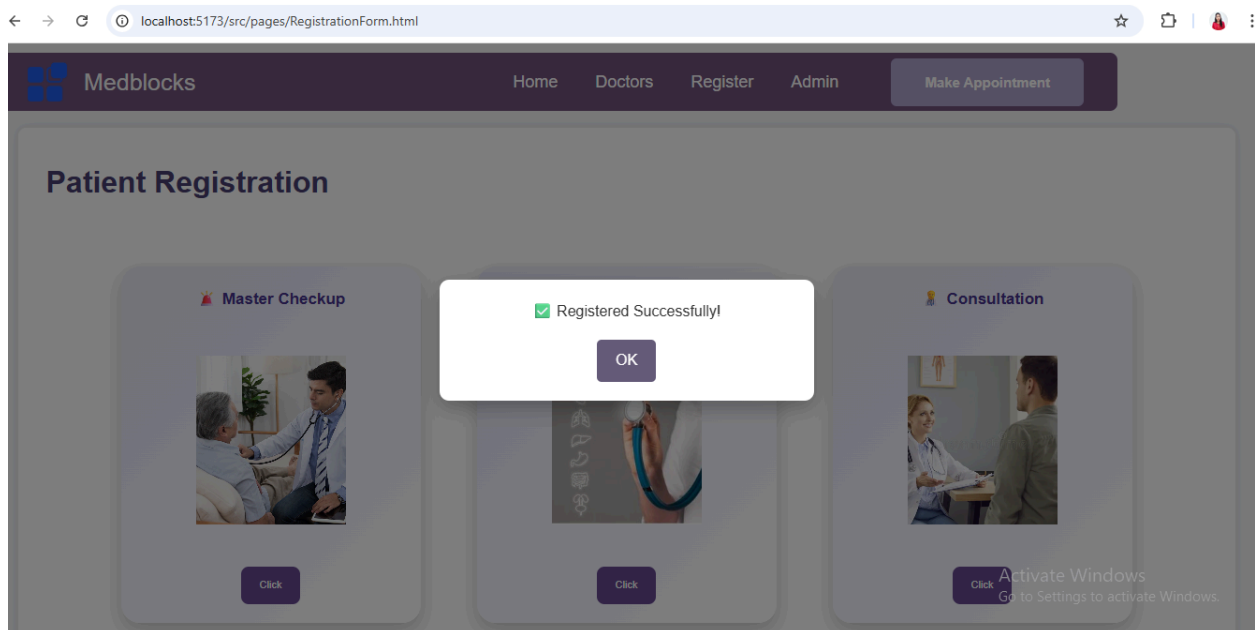

The screenshot shows a web browser window with the address bar displaying "localhost:5173/src/pages/RegistrationForm.html". The page title is "Master Checkup Registration". The form contains the following fields:

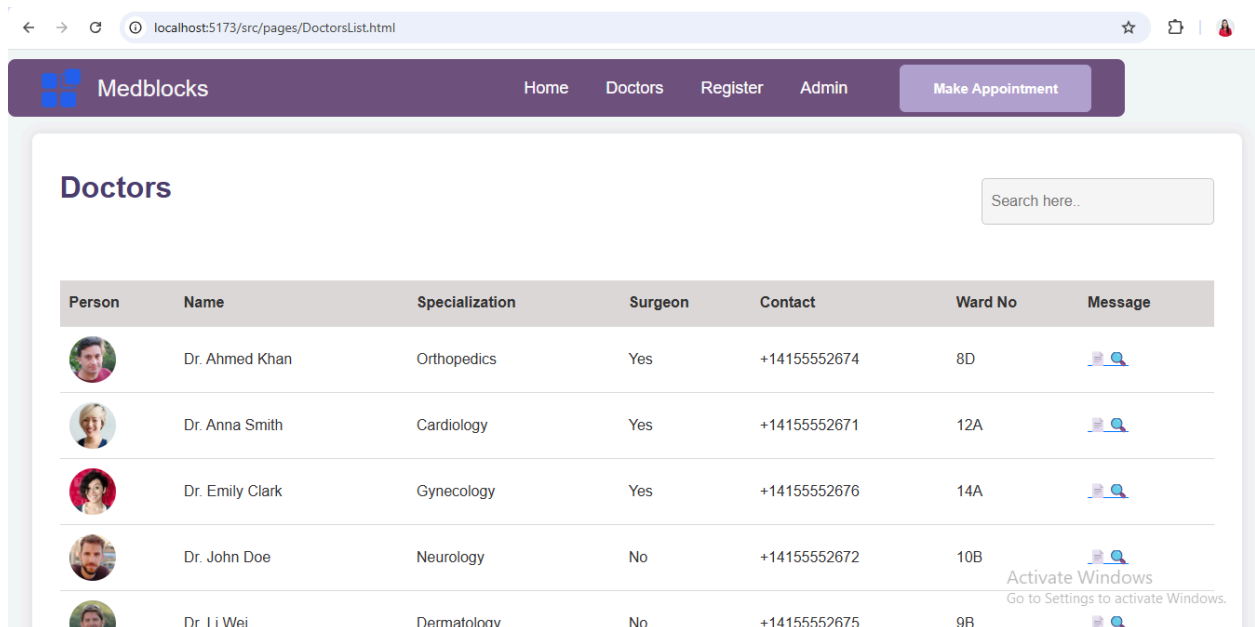

- First Name
- Last Name
- Disease
- dd/mm/yyyy (date field)
- age
- Select Gender (dropdown menu)
- Email
- Phone
- Address
- Choose File | No file chosen (file upload field)

At the bottom of the form, there is a "Back" button and a green checkmark button. In the bottom right corner of the browser window, there is a watermark that says "Activate Windows Go to Settings to activate Windows."

Patient registered successfully

Doctors Tab : contains doctors list of the hospital

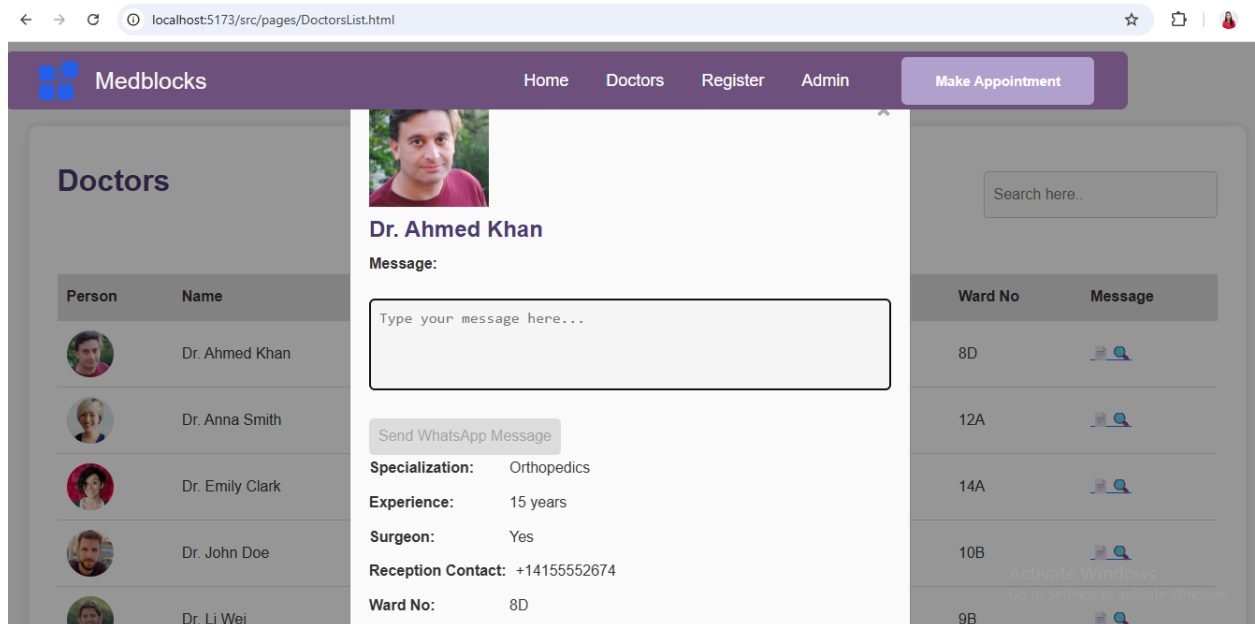

The screenshot shows the 'Doctors' tab in the Medblocks application. The page has a purple header with the Medblocks logo and navigation links: Home, Doctors, Register, Admin, and a 'Make Appointment' button. Below the header, the title 'Doctors' is displayed on the left, and a search bar 'Search here..' is on the right. A table lists five doctors with their profiles, names, specializations, surgeon status, contact numbers, ward numbers, and message icons. An 'Activate Windows' watermark is visible in the bottom right corner of the table area.

Person	Name	Specialization	Surgeon	Contact	Ward No	Message
	Dr. Ahmed Khan	Orthopedics	Yes	+14155552674	8D	
	Dr. Anna Smith	Cardiology	Yes	+14155552671	12A	
	Dr. Emily Clark	Gynecology	Yes	+14155552676	14A	
	Dr. John Doe	Neurology	No	+14155552672	10B	
	Dr. Li Wei	Dermatology	No	+14155552675	9B	

Doctor Page:

-> By clicking message icon, patient can text the particular doctor's reception agent.

The screenshot shows the 'Doctor Page' for Dr. Ahmed Khan. The page layout includes a purple header with the Medblocks logo and navigation links. On the left, a 'Doctors' sidebar lists all doctors. The main content area features Dr. Ahmed Khan's profile picture, name, and a 'Message:' section with a text input field and a 'Send WhatsApp Message' button. Below this, his details are listed: Specialization (Orthopedics), Experience (15 years), Surgeon (Yes), Reception Contact (+14155552674), and Ward No (8D). On the right, a search bar and a table with message icons are visible. An 'Activate Windows' watermark is present in the bottom right corner.

Admin page:

This page is not for patient, only for Admin

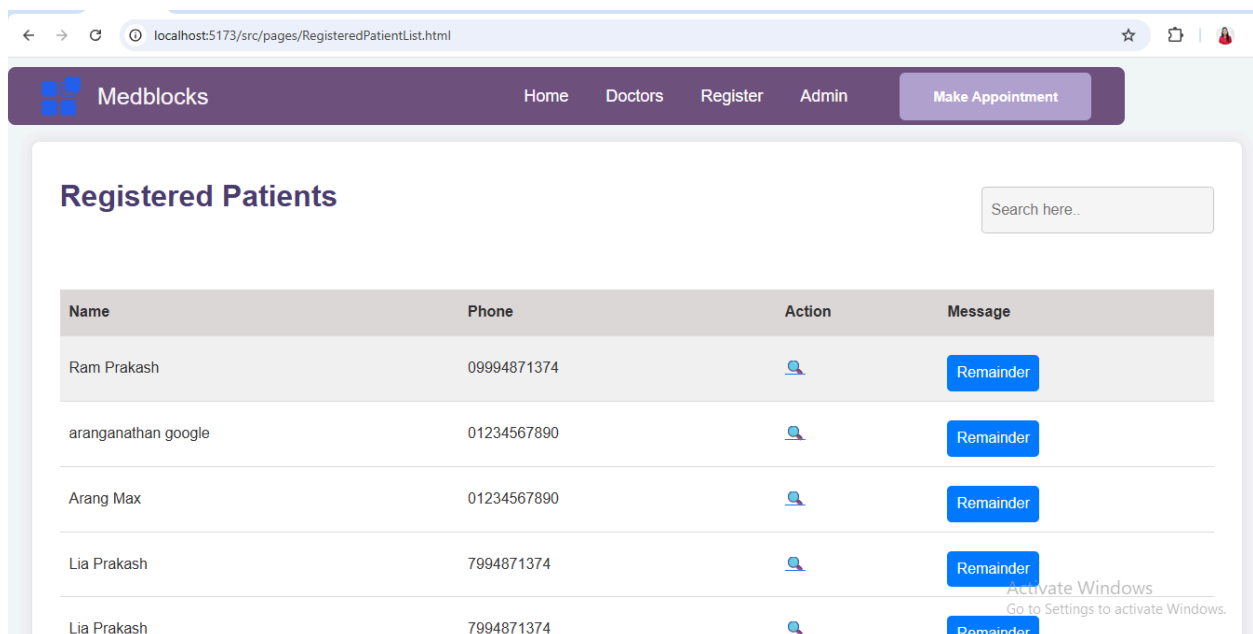

Contains :

Patient list and Sql Form (helps to run the raw queries)

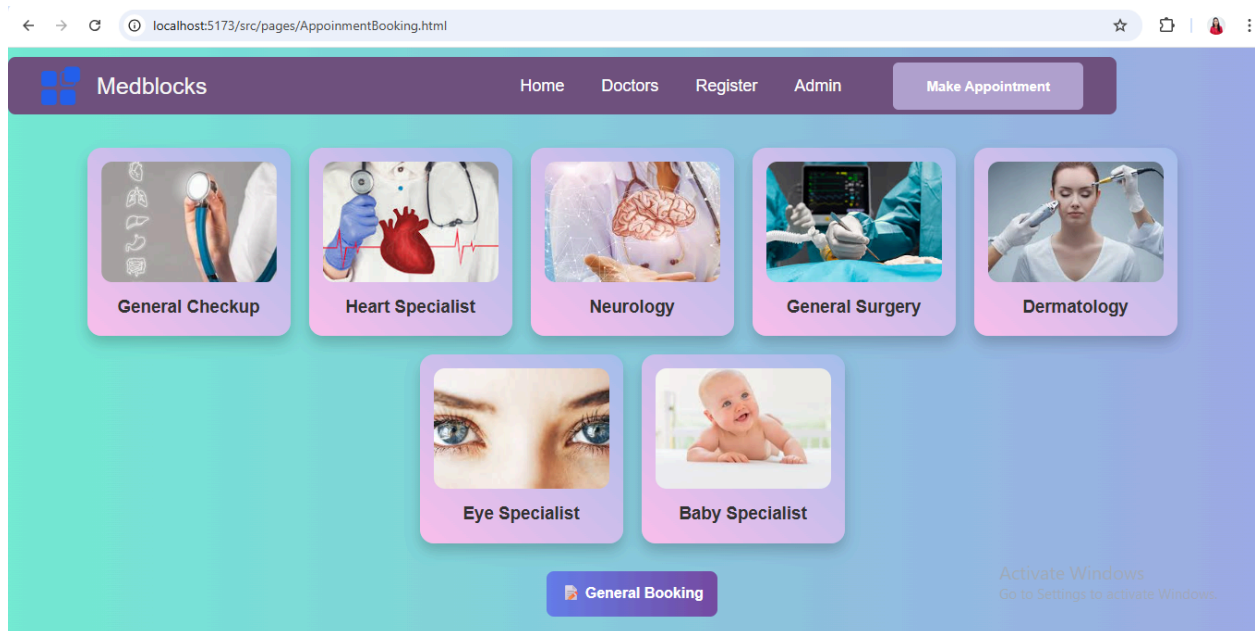

Patient list :

- > All the registered patients will be listed (Admin can text the patients)
- > can send remainder messages to them

Make Appoinments Screen:

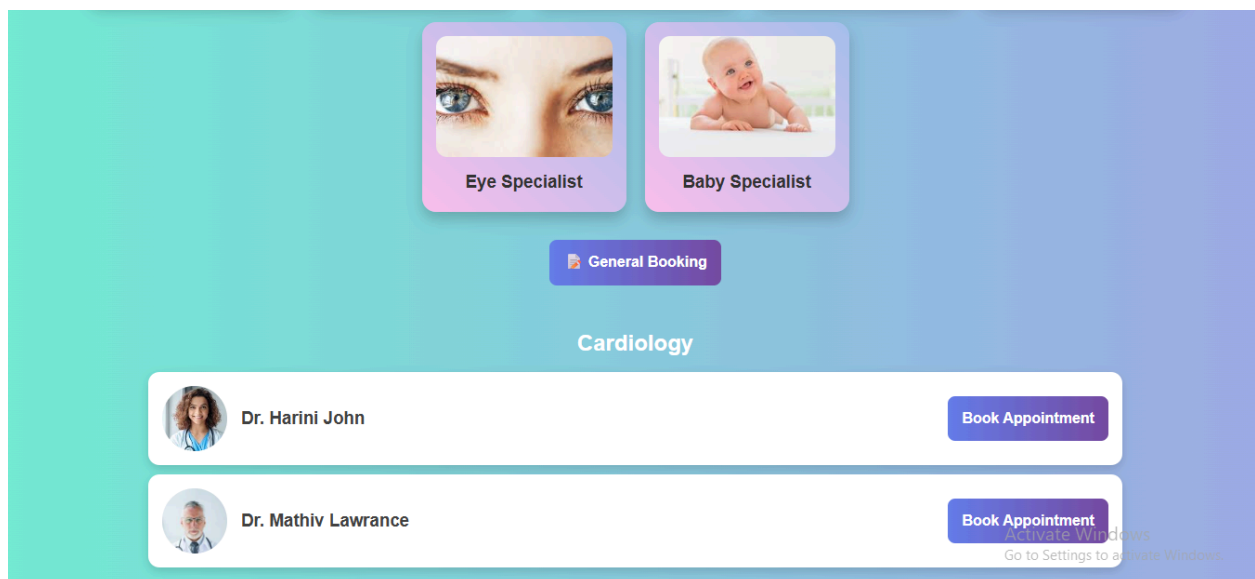

Patient can select the department specifically or general booking is also available for their great convenience.

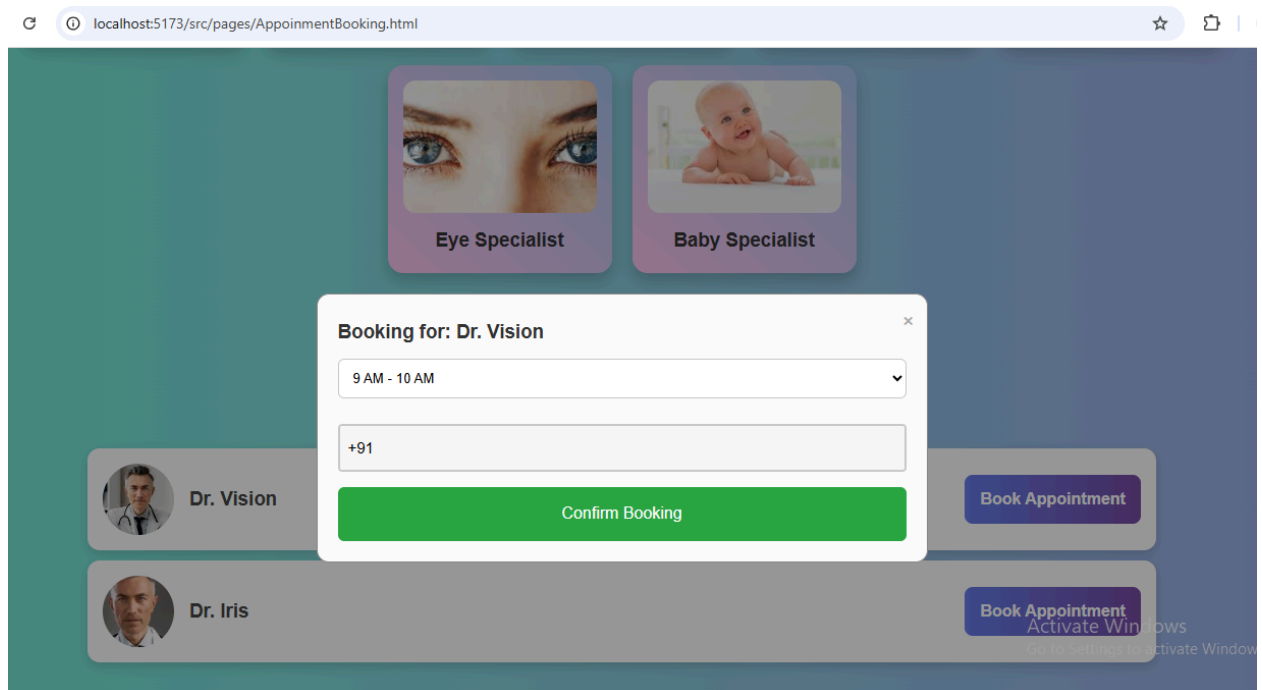

By selecting the department,

-> Doctors details are displayed

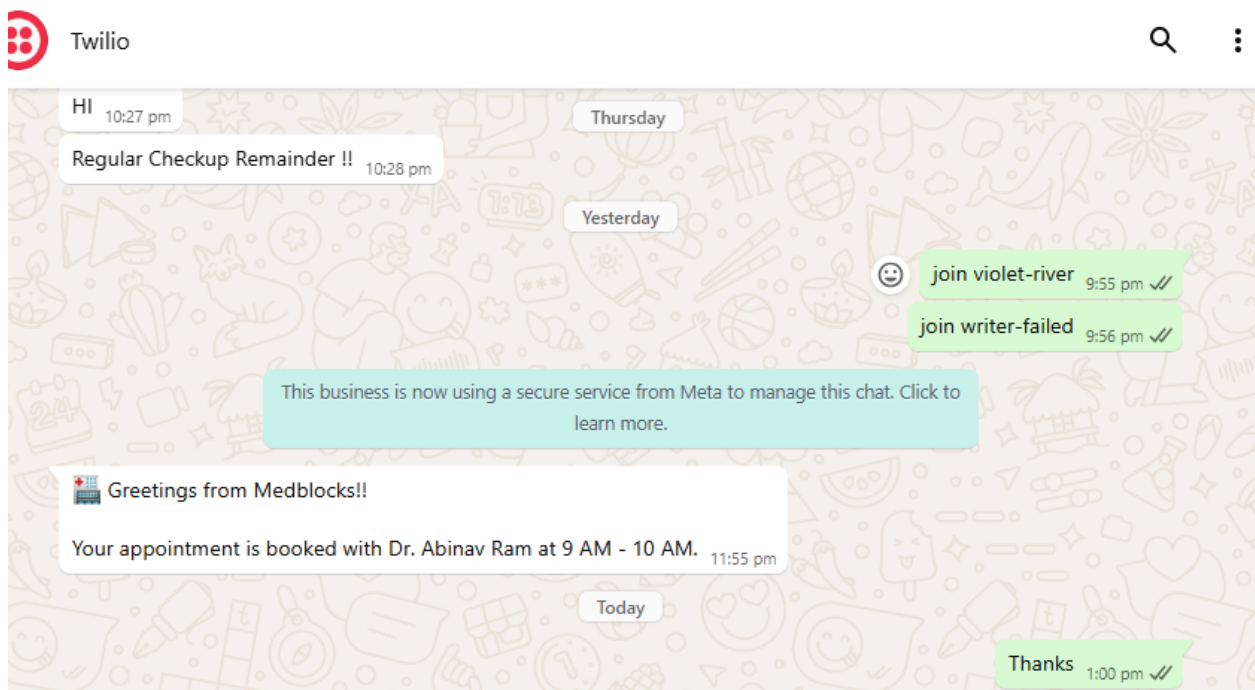

-> Patient can select the doctor and book apponment

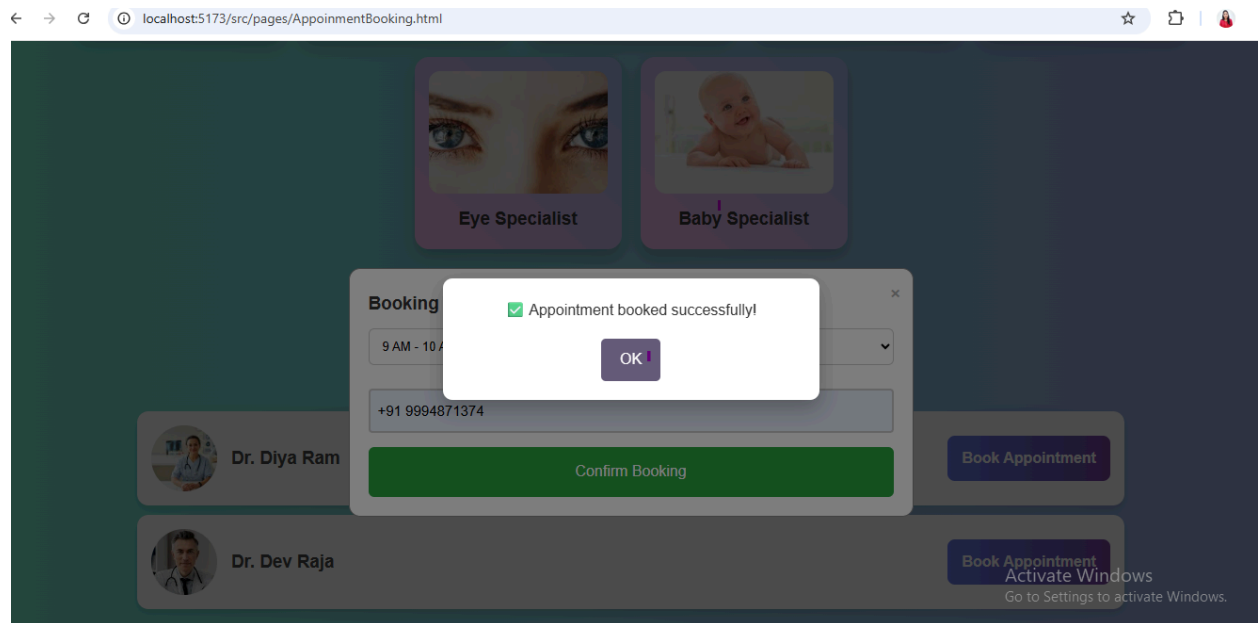

By clicking Book Appointment button
-> you get a pop-up to select the time slot and enter phone number

Whatsapp Application :
-> once the slot is confirmed, then the patient receives the whats app message as below

Appointment Booked Successfully.
